**Interests:**

Please mark each item according to your level of interest.

How I like to work....	All the Time	Most of the Time	A Little	Not at All	Would Like to Learn
With a group (i.e. committee/team of people)					
By myself					
With detailed instructions about the task to be completed					
With general guidelines and lots of room for creativity					
<b>What I like to do...</b>					
Make snacks/light refreshments for club meetings					
Plan and coordinate one club activity (for example: club picnic, field trip, holiday party, guest speaker)					
Coordinate trips (logistical arrangements)					
Chaperone trips (camp, state fair, regional or national events, etc)					
Plan and organize fundraisers					
Mentor new 4-H families					
Be a 4-H club project leader					
Be a 4-H club activity leader - Serve on a committee to help plan and conduct on-going activities					
Teach individual members					
Teach groups of members					
Please list the hobbies, interests, skills you would be willing to teach others:					
Help 4-H members with record books					
Help 4-H members with presentations (demonstrations, speeches, etc)					
Help members get exhibits ready for the county/state fair					
Plan and organize club recognition for members/leaders					
Develop and maintain web pages					
Make telephone calls to remind members about activities					
<b>What I Could Provide for Our 4-H Club – Please indicate what you would loan/let us use.</b>					
An occasional place for club meetings/activities (kitchen, garage, backyard, living room, basement, etc)					
Transportation (car pooling) for meetings/activities					
Kitchen type equipment (roaster, large cooler, grill, etc) for club outings.					

Kim Reaman, Volunteer Development Specialist, University of Wyoming Cooperative Extension      September 2009
