Old Business

- Fair Review:
 - o The indoor auction this year went well. Some ideas for next year were to move the intent to sell date up, and having the \$5 fee due when submitting the intent to sell. The group felt like the 4PM time was a good time and that having the kids collect money at the Extension office the following week was also beneficial. Sarah reported that Scot Meader has let the office know that they will not have the free stage next year but they will work with the committee to come up with a different plan.
 - o The project display area looked better this year. Corry has leftover decorations that we can use next year. It would be beneficial to have tape or another way to hang posters so that they stay up. We also may need to brainstorm a way to have additional room for foods/cooking projects.

year	# reg. buyers	total sales	avg/ price	# of items sold	# of members selling	# of members intending to sell	# of items intended to sell	Notes

- Cookbook and Calendar Update
 - o The group discussed selling cookbooks and calendars at the Christmas stroll the day after Thanksgiving. Sarah said that she will look into getting a booth. We will need kids to volunteer to work at the stroll. Allison also volunteered to make stickers to sell at the stroll for the committee as well. We will discuss this more at the next meeting.

The meeting was adjourned at 5:48 PM. The next meeting will be on November 6th at 5:15 Pm in the Extension Office.
