Ben graduated from Bozeman High School and plans to study biomedical engineering this fall at Grand Canyon University in Phoenix, Arizona. 4-H helped him learn problem-solving skills and develop a good work ethic. He wishes to thank 4-H leaders and volunteers for their guidance and time.

### CHEYENNE CAVIN

Cora thrived leading the Shining Mountaineers club. Cora is thrilled to be moving on to the Honors College at MSU, where she will be studying Architecture/Environmental Design. She can't wait to be immersed in the college lifestyle and work towards her dream of becoming an architect!

### DAKOTA WOODRING

Dakota participated in many projects, including Horse, Beef, Sheep, Dog Obedience & Agility, Photography, Welding (one of her favorites), Leather, and more. She has met some fantastic people and gained some great friends through 4-H. She would like to give a huge THANK YOU to all the amazing 4-H leaders.

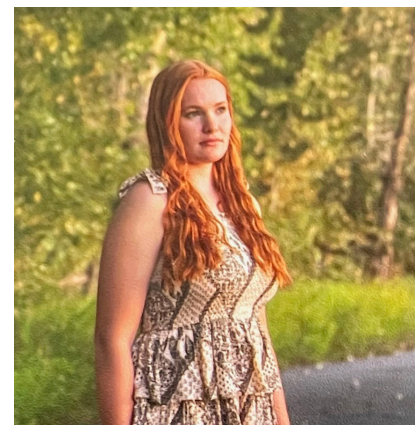

### HAILEY MORGAN

Hailey Morgan has been a part of the Belgrade Pioneers for five years. She has been involved in the steer project for her entire time in 4-H and has learned grit and patience from working with large animals in this capacity. 4-H is a program where the participants become a part of the community, learning responsibility and how to work with and care for animals with respect through hands-on activities and outreach. 4-H is a significant influence on the future agriculturists in this community. Hailey graduated from Belgrade High School and plans to go into early childhood education in the fall.

### HANNAH TODD

Hannah Todd graduated from Ennis High School where she received the honor of being the 2024 Salutatorian. Hannah has been an avid 4-H member of the Madison Wranglers in the Madison Valley, along with Sharp Shooters Rifle Club in Gallatin County. She showed swine and cattle and showcased her photography. Being a valued member of the rifle club helped propel her shooting skills and secure a spot on the University of Kentucky Rifle team this fall in Lexington, Kentucky. GO CATS! Hannah Todd is majoring in Animal Science and will study Pre-Veterinary Medicine with the goal of becoming an Equine Surgeon.

### JACI DYKSTRA-TOEWS (TAWES)
