

# Gardening in Montana Course

**10 Week Course**  
**February 11th - April 15th**  
**Tuesday Evenings: 6:00 pm - 8:30 pm**  
**Plains High School Library**

***Course Fee of \$125 for the Gardening Handbook, Speaker Travel, Resources and Supplies***

This Course will include class presentations and hands on activities with guest speakers from subject specific experts. Participants can become certified as a **Montana Master Gardener** after completing class sessions, passing an open book content test and completing 20 hours of volunteer service. It is not required to become a Master Gardener in order to take the course.

**Course content will include:**

Plant biology, soils and fertility, vegetables and fruits, ornamental plants, trees, shrubs, pruning, climate, lawns, landscape design, composting, and pest management.
