

## In Absentia Registration

A student must be registered at Montana State University during the semester of their graduation. If the student is not required to take any additional courses at MSU during their final semester, and therefore the student does *not* take any courses during their final semester, the student must submit an In Absentia Registration Form and pay the \$30.00 In Absentia fee. This \$30.00 fee is automatically charged to the students account.

**In Absentia forms must be received before the end of the third week of the semester prior to the graduation semester.**
