### Where do I find my student bill?

MSU uses a paperless billing system. To view your Web bill, log in to your **MyInfo** account ([www.montana.edu/myinfo](http://www.montana.edu/myinfo)) and select **Electronic Billing & Payment**.

### I've been told to "confirm" my bill; what does this mean and how do I do it?

Confirming your bill lets the university know you have reviewed your bill for accuracy and that you are attending the semester billed. After reviewing your bill:

- If you have a balance due, you must pay your entire bill or sign up for a tuition payment plan and make the first payment by the published deadline in order to be confirmed.
- If you have a zero balance or a credit is due to you, you must click on the **Confirm** button at the bottom of your Web bill by the published deadline.

A \$40 Late Fee may be assessed to all students who have not paid/confirmed their bill by the deadline.
